

Mobile Exhibition Systems

We have the solution.

Simply the best digital display stand on the market. Absolutely robust. Stainless steel and unbreakable fibre-glass sticks. 10 years guarantee. Made in Germany.

Any panel can be tailor-made to customers' needs. Displays can be joined to create seamless picture walls.

Robust and yet lightweight (app. 10kg).

The system is being continuously improved. Meanwhile we have designed and delivered some 150 stands for developing countries.
