

Flyers and Leaflets

As numerous as the projects we have been working for, as numerous are the flyers, handouts and leaflets we have produced. Our clients can benefit from our long-standing experience in the design of flyers and leaflets – small media that make a (big) difference.

- Several flyers for Environmental Management Project in Tunisia;
- Series of 5 flyers on water quality standards (MEM/DRPE, Water Ministry Morocco),
- Project flyer for Environmental Pact APPE Tunisia,
- 3 Flyers for REME Environmental Management Network,
- Project flyer for IQ-Maghreb Quality Infrastructure
