

Presentation Folders

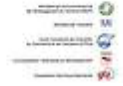

Brochures tend to be outdated soon. An alternative is a presentation folder with individual data sheet that can easily be replaced.

References

- Presentation folder for the Water Research and Protection Dept. (DRPE) of the Moroccan Ministry of Water (MEMEE);
- Presentation folder for REME (Maghreb Environmental Network);
- Presentation folder for IQ-MAGHREB, Quality Infrastructure Network

A presentation folder can also be equipped with a clip or a pocket to hold a CD.
Example: "Réserve de la Biosphère de l'Arganeraie" presentation.
