

The Producer

Julien Biere draws on 50 years of production experience across a vast spectrum of formats and genres:

- music production (recording studio),
- radio shows,
- print media (flyers, posters, brochures, book titles),
- audio-visual media (multi-image shows, film, video),
- multimedia/interactive CD-ROMs,
- websites and web portals with online database systems,
- mixed-media exhibitions and museum installations,
- cross-media campaigns and events.

He is currently working as **independent documentary filmmaker**. -> [Website](#)
